larges, &c.

+ This is a discretionary premium awarded by the committee, on the ground, that the maker is a little girl four years old.

A first and second premium were awarded to Mrs. Margaret McCormick on quilts, but it turns out that they were made in New York, which fact, had it been known to the committee, would have prevented those premiums being awarded; but they are beautiful, and added much to the interest of the show. The fact of their having been made elsewhere entitles Mrs. M none the; 1 less to credit for taste and skill, though she has no right to the premiums.

Mrs. Knox's oil and crayon paintings, and Miss Mills' oil painting were highly complimented by the committe and others, though, according to the rules, they could not draw premiums.

There were a hundred and twenty four different premiums awarded to 65 persons the aggregate amount of which is \$183.25

The animals and farming utensils exhib-

For Senator of the Twenty-second District. T. R. HUDD.

County Convention counties than ours might be proud of. The specimens of mechanism were highly creditable. As to vegetables, it is a question whether any county in the State can produce a better show. There were some very fine specimens of butter and cheese. Any one who attended the fair cannot but be convinced that we have a fruit country. In the ladies department, the array of preserves, jams, jellies, house plants, bourself and the country and speciment of the country, and speciment of the several country better than being us appeared to unite with them in supert of the often and the convinced that we have a fruit country better than being us appeared to excitous a state of the country better than being us appeared to excitous the filled the often and the country better than being us appeared to excitous a state of their country, are calculty invited to be represented by deligates in said conventions and the said of the country better than being us appeared to the country better the country us appeared to the country better than being us appeared to the country of the country us appeared to the country of the coun

eption.
